## CELL O CON CRAFTS & ARTIFACTS

### CELL O CON CRAFTS & ARTIFACTS

CELL O CON Crafts & Artifacts are made exclusively to suit the creative wants of today's architecture, interiors and green space.

The Concrete mix is a special grade blend of stone, gravel, sand and cement, specially designed for High early strength and quick curing.

CELL O CON introduces new products to Construction market which gives an excellent opportunity to consultants, Decorators and home owners to replace heavy & expensive long structures with our decorative cornices, bull noses and elements.
